

MEDIATION INSTITUTION FORM OF RECOGNITION

“The European Mediation Training Scheme for Practitioners of Justice”

Directive 2008/52/EC of the European Parliament and of the Council of 21 May 2008 on certain aspects of mediation in civil and commercial matters underlines the importance of the free movement of persons and the proper functioning of the internal market, in particular as concerns the availability of mediation services in cross-border disputes. It is within this context that the European Commission decided to financially support the EMTPJ-project (European Mediation Training Scheme for Practitioners of Justice), under which, *inter alia*, a new mediation course will be provided.

The course program aims to bring European cross-border mediation in civil and commercial matters on the agenda. Mediation centers that join this initiative are more likely to benefit from increased cross-border mediations and from obtaining further benefits resulting from being connected with this new initiative, such as being listed and marketed on the EMTPJ website,

By signing this form of recognition, you declare that your mediation institute recognizes the EMTPJ course content, so that the course participants that successfully completed the course can apply for mediator accreditation with your mediation center. By signing this form you also consent to be referred to as a mediation center that recognizes the EMTPJ course content.

Please refer to the course outline and annexes for further information regarding the course content, logistics, and procedures.
